What we do

Overlooking one of Dandenongs Iconic Buildings, The Drum theatre Melissa Bar Cafe is the perfect meeting place in the heart of Dandenong's Harmony Square Precinct.

Be it a social gathering with friends, a quiet after work drink, group dinner work social event, Melissa Bar Cafe is an ideal venue for any occasion.

Our modern restaurant is ideal for group dining for up to 100 people, with set menu options available for breakfast, lunch & dinner. A number of spaces are on offer, ranging from intimate indoor dining areas to the side dining space.

We can design a celebration to suit your needs. Our different event spaces can accommodate groups as small as 10 or as large as 100.

Reserve an area of the restaurant for drinks, or work with our events team to create a food & beverage package to compliment your occasion. We have a variety of spaces to suit any need or atmosphere for your special event. Indoor or outdoor, cosy or spacious, casual or formal, we are here to make your function a memorable one.

Talk to us to find out more about what each space can offer.
